No. 4764

Office of the Food Controller & Director of Civil Supplies in Mysore.

Dated Bangalore, 5th March 1919.

From

K. Matthen Esq, B.A.,

Food Controller & Director of Civil Supplies in Mysore.

To

C.S. Balasundaram Iyer Esq, B.A.,

Chief Secretary to the Government of Mysore,

Bangalore.

Sir,

Adverting to your Circular Memorandum No.G.6335-45/G.M. 66-18-65 of the 26th September 1918 requiring Deputy Commissioners of Districts to forward certain statistics of imports and exports of food grains through frontier Ookads every week to Collectors of neighbouring British districts, I have the honour to state that this arrangement was made when we were getting our normal supplies of rice from Madras and we for our part had undertaken to allow normal exports by road (subject to local conditions). Since then, the position has changed as Madras does not give us the normal imports, nor have we undertaken to allow normal exprts. If any interchange is allowed by local officers on the weight for weight basis, there is no necessity for a further weekly return being sent for the benefit of the British authorities by the establishments maintained by us, especially as we do not get any similar information in return. If the Government should be pleased to accept this view, I shall inform the Madras Director accordingly.

I have the honour to b

Sir,

Your most obedient servant,

Food Controller & Director of Civil Supplies in Mysore.
